

CHANGALA

*Changala Winery
2000 Syrah
Central Coast*

The grapes for our 2000 Syrah come from the Pianetta Vineyard in Indian Valley northeast of Paso Robles. The grapes were gently pumped over the skins during fermentation to achieve maximum extraction of color and flavor. Fermentation was finished in small French and American oak barrels (30% new and 70% neutral). The addition of 10% Viognier and 5% Grenache further enhance the flavors of this classic Rhone style wine. Pair it with a rare steak hot off the grill.
