

CHANGALA

*Changala Winery
2001 Syrah
Central Coast*

The grapes for our 2001 Syrah come from the Pianetta Vineyard in Indian Valley northeast of Paso Robles. The grapes were gently pumped over the skins during fermentation to achieve maximum extraction of color and flavor. Fermentation was finished in small French and American oak barrels (30% new and 70% neutral). This wine exhibits concentrated flavors of chocolate and cherry with a hint of white pepper. The addition of 10% Viognier and 5% Grenache further enhance the flavors of this classic Rhone style wine.
