

CHANGALA

*Changala Winery
2002 Viognier
Santa Barbara County*

The grapes for our 2002 Viognier come from the Zaca Mesa Vineyard in Santa Barbara County. The fruit was whole cluster pressed and allowed to settle chilled overnight. Fifty per cent of the wine was fermented in stainless steel and fifty per cent in neutral oak. The final blend of these two resulted in a ripe, fruity wine that exhibits the beautiful aromas that are characteristic of Viognier. The floral aromas and spicy peach flavors are a great complement to spicy foods such as Thai or curry dishes.
