

CHANGALA

Changala Winery 2005 Syrah Paso Robles

The grapes for our 2005 Syrah come from the Victor Hugo vineyard in east Templeton. The wine also includes a small amount of Petite Sirah from the Howell Vineyard in Paso Robles. The grapes were gently pumped over the skins during fermentation to achieve maximum extraction of color and flavor. Fermentation was finished in small French and American oak barrels (30% new and 70% neutral). The wine is unfiltered.
