

# CHANGALA

## *Changala Winery 1999 Cabernet Sauvignon Pianetta Vineyard*

*The grapes for our 1999 Central Coast Cabernet Sauvignon comes from the Pianetta Vineyard in Indian Valley. Fermentation took place in a small tank of optimum configuration and fermentation temperatures were closely controlled. The juice was gently pumped over the skins to ensure maximum color and flavor extraction. The must was fermented to dryness in the tank and the pomace was then shoveled into small bins and gently returned to the press with minimum mechanical handling. The new wine then went into small oak barrels, 50% French and 50% American for 21 months.*

*The result is a wine exhibiting ripe, rich fruit and firm tannins.*

*Brix at harvest : 24.8*

*TA 0.62*

*pH 3.8*

*Alcohol 14.0%*
