

CHANGALA

Changala Winery 1999 Syrah Paso Robles

The grapes for our 1999 Syrah come from the Meeker Family Vineyard east of Paso Robles. The grapes were gently pumped over the skins during fermentation to achieve maximum extraction of color and flavor. Fermentation was finished in the small French and American oak barrels (30% new and 70% neutral). This wine exhibits flavors of plum and anise with a hint of vanilla and pepper on the finish.
